Ever since things went to shit, there have been two worlds. The human world and the monster world.

In the human world, everyone sucks. In the monster world, everyone sucks, but also everyone's a monster.

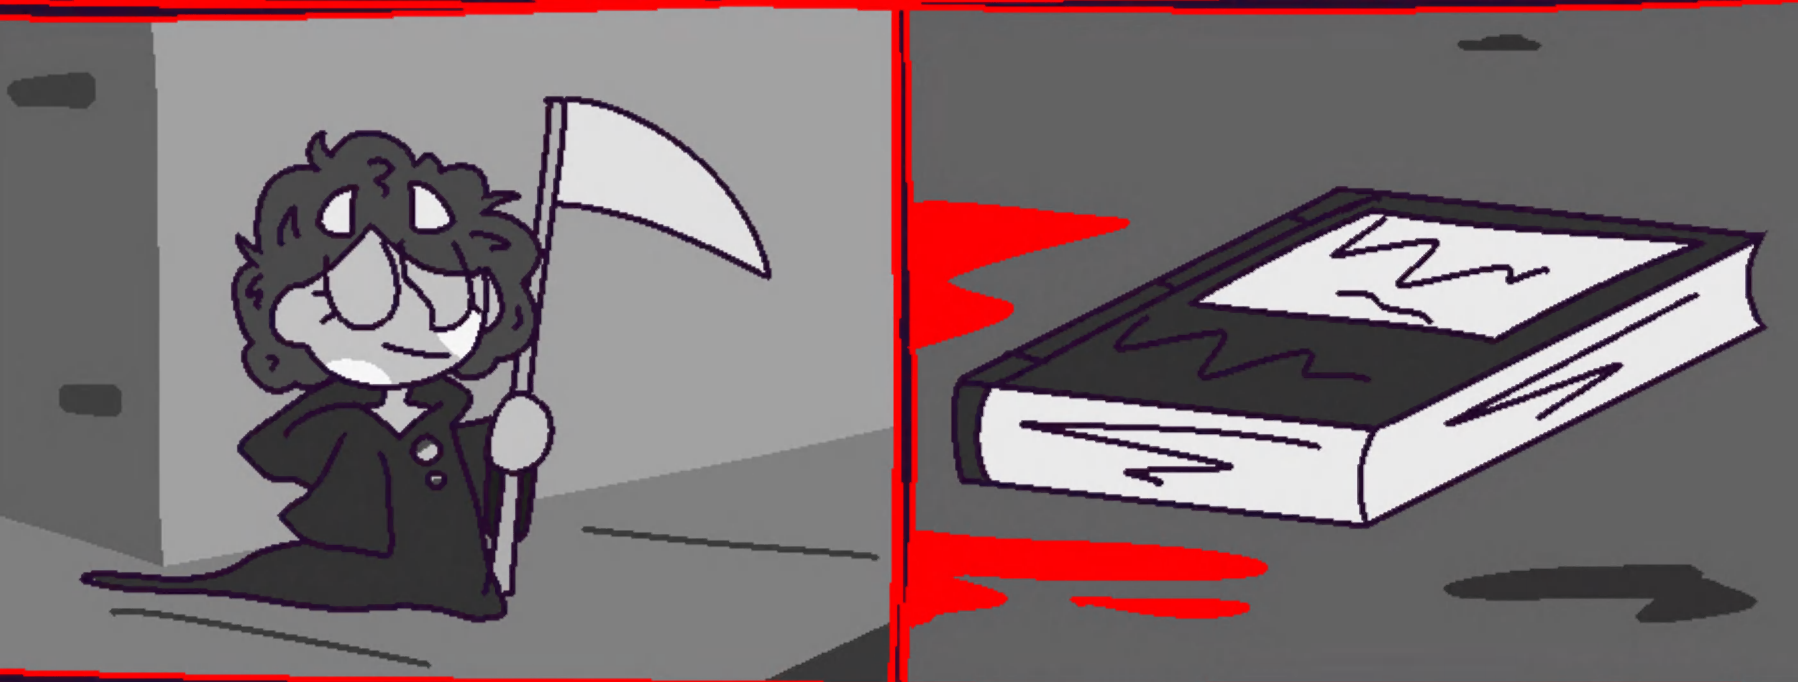

The monsters, in disguise, invade the human world through the spellbooks.

There, they prey on the naive humans, and slaughter them for sport.

The humans have yet to figure out how to fight back against these odd foes.

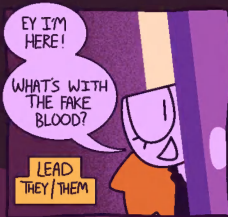

But if the monsters aren't careful, their secrets could fall into the wrong hands.

HUMANS AREN'T

A... "FRIEND" NAMED
MAX. SHE WAS ONE
OF THE FUNNIEST &
SWEETEST PEOPLE
WE HAD EVER MET...

SHE... PASSED AWAY ABOUT A YEAR AGO. IT'S BEEN
REALLY ROUGH WITHOUT HER AROUND, AND THAT
WAS **BEFORE** THE PANDEMIC.

WHEN I FOUND THE SPELL, I THOUGHT I COULD REVIVE HER. UNLIKE THE OTHER SPELLS IT USES THIS WEIRD MELODY, SO ZOHEY & I HAVE BEEN COMING IN HERE TO PRATICE. BUT WE CAN'T GET ANYTHING TO HAPPEN, AND WE'VE BEEN PLAYING IT PERFECTLY.

WE JUST WANT HER BACK.

WHAT THEY DID WAS BAD BUT
THEY'RE JUST DUMB KIDS WHO
HAPPENED TO FIND A SPELLBOOK. THEY
WANT TO RESURRECT THEIR GF BUT
THE SPELL USES A
MELODY ONLY
MONSTERS CAN GET
RIGHT. THEY NEED
HELP.
